

MVM Volunteer Needs August 2020

We are currently working to find enthusiastic volunteers to fill several important positions for the coming school year:

Fundraising Chair - leads the Fundraising Committee, which plans, organizes and oversees fundraising events such as dine out nights, races, book fairs, community gatherings, etc., and promotes our annual fund drive.

Building and Grounds Committee Co-Chair - Will work with current Co-Chair, Meg DeGuzman to monitor building needs, and to plan activities that center around improving our building and grounds. These may include mulching days, gardening days, parking lot painting, etc.

Volunteer Committee Co-Chair - Will work with Staff Coordinator, Mr. Craig, and with Co-Chair, Jen Sincevich. Mr. Craig is responsible for keeping records of our volunteers who have been trained through orientation, have signed confidentiality agreements, and have been fingerprinted through FCPS. Co-Chairs of this committee work with Mr. Craig to plan and present orientations, to recruit volunteers to fill needs as they arise, and to support existing committees. They also tally and report volunteer hours to FCPS each spring, and prepare volunteer certificates for distribution.

If you want more information on these positions, please reach out to Deb Knox-Teitel at volunteer@mvmpcs.org
