**Tickets go ON SALE next week!**

Tree Trekkers, an outdoor aerial adventure and zip-line park providing outdoor recreations for the whole family, is conveniently located off of I-70 near the Spring Ridge Community, minutes from downtown Frederick. The park features 14 different courses ranging in difficulty from beginner to expert challenging climbers to make their way through walking bridges, ropes, tunnels, balance beams, nets, zip-lines and more. For younger climbers (4-8) the Wander Web is a self-enclosed 2 story structure, offering easier challenges. The Tree Trekkers 2021 season will run from March through November 2021 (weather permitting). Go to [www.treetrekkersmd.com](http://www.treetrekkersmd.com) for more information about: hours of operation, Covid-19 guidelines (mask requirements and capacity limits), and to save time by signing your climbing waiver online prior to arrival.
