

MVMPCS Community,

During the April Governing Council meeting, the MVMPCS GC voted to hold a special GC voting meeting to discuss and vote on the proposal to expand the current MVMPCS Charter to include grades 9 through 12. This meeting will be held virtually and will begin promptly at 6:30 pm on Monday, April 19, 2021. Additionally, during this meeting, the GC will also discuss and vote on the request for additional support positions at the middle school level made at the April GC meeting.

Attached is the proposal for charter expansion submitted by the high school proposal team. Please review and submit any questions to the proposal team directly at hsproposal@mvmpcs.org. If you have any information or comments you would like the GC to consider as we discuss and vote on this proposal, please email the GC directly at GC@mvmpcs.org.

There will be an opportunity for the community to provide in-person comments at this meeting. Please sign up to provide in-person community comments here: <https://forms.gle/dGK27axud2YyidcWA>. The community comment period will go in the order of sign-up and individual community comments will be limited to 3 minutes to make sure all comments can be heard. Additionally, written community comments can be submitted to GC@mvmpcs.org for inclusion in the official meeting minutes. Please include "community comment" in the subject line of all written comments. Written comments will be read by a member of the GC for the 3-minute timeframe allotted and the full text will be included in the meeting minutes for documentation.

A formal meeting agenda and link to the special meeting will be emailed to the community on or before 6:30 pm Sunday, April 18. Please email the GC with any questions at gc@mvmpcs.org or gcchair@mvmpcs.org.

Thank you

Tori McCarthy
