

Dear MVMPCS Families,

We are pleased to receive many students for 4-day instruction being this Monday, May 17th. As a reminder, families who did not indicate 4-day attendance were not automatically placed for the expanded option. This means there are students still attending 2-days in either Cohort A or Cohort B. If you are unsure, check with your child's teacher before dropping off. This will prevent anyone having to return to school to pick up children.

Here are a few reminders:

- \* masking guidelines for school have not changed -- proper face covering is a requirement for in-person instruction
- \* students are asked to bring a water bottle with them to school each day
- \* late arrivals and early dismissals will occur at the Evergreen entrance
- \* the building is still "closed"
- \* dressing in layers is recommended as the weather this time of year is unpredictable

Staff has done an exceptional job of preparing the learning environment for this expansion. I applaud their efforts and thank them for their dedication.
